	75mm x 500m	007202
	75mm x 500m	006663
	75mm x 500m	007585

Customised Superstrong® bearing your company name and logo or special warning messages can be supplied in any quantity

Industrial Site Safety Tapes

Used by industry to warn the workforce and the public of dangers from chemicals, explosions and asbestos etc. Ideal for any construction site with many texts available from stock. Manufactured from high strength polyethylene, the non-adhesive barrier tapes are printed with a warning text and internationally recognised symbol if appropriate.

- UV + scratch resistant ink
- Shrink wrapped for protection
- Specially manufactured texts available, any size or colour
