

ULTIMA™ PREMIUM FENCING

Ultima™ fencing is a premium high strength, high quality, permanent heavy duty plastic fencing mesh. Manufactured from high density polyethylene, Ultima™ is ideal for temporary and permanent fencing applications. The mesh can be easily erected and supported either by steel fencing pins for temporary use, or pinned to wooden fence posts for permanent use.

- UV Stabilised
- Re-useable / durable
- Available in Orange / Black from stock
- Other colours manufactured to order
- Steel pins available
